8. **Engines & Silencing.** All competitors should ensure that their car complies with their championship regulations: Derek Bell Trophy, and Pre '80 Challenge may run unsilenced, all other categories to MSA silencing regulations (C(b)23 & 24) which will be either 105db GT, Roadsports, and Touring Cars or 108db Please note that racing engines cannot be run before 08.15h on Saturday and 09:15h on Sunday. Anyone in breach of this requirement maybe excluded from the Meeting.
9. **Paddock Allocation:** The Paddock Plan is enclosed so please park in your allocated area and give consideration to your fellow competitors by not using unnecessary space. A Trailer Park has been provided to assist with the congestion so please make use of it. Saturday competitors should please make space for Sunday competitors when they arrive.
10. **Roadways** within the Paddock area must be kept clear of all vehicles at all times. In particular, the access roadway from the tunnel to the Assembly Area must be clear at all times.
11. **Paddock:** It is forbidden to hammer pegs or stakes into the tarmac paddock surface. It is also forbidden to place markings on the Circuit, the Pit Lane, the Pits or Paddock surfaces. Any person damaging the surface may be excluded from the event and the competitor shall be subject to pay immediately liquidated damages of £500. In the event of an excessive cleaning-up operation caused by a competitor through negligence or bad preparation MSV may seek damages.
12. **Motorcycles, Moped, Scooter, Trike, or Quad Bikes:** Must all be ridden with all due care. The rider must have a valid driving licence and safety helmet and the vehicle must be road-legal, taxed and insured. Mini Moto's are NOT permitted on site. Scooters and quad bikes must be in a road worthy condition and be fitted with lights. Passengers are not permitted to ride on trailers or on quads, unless the quad bike is specifically designed to carry passengers. Helmets must be worn by anyone riding motorised vehicles (riders and passengers). Motorised vehicles are not permitted on any grass verges, banks, or any general public areas such as trade malls, and they must adhere to designated vehicle routes. Alcohol is strictly prohibited whilst driving any vehicle at the venue. There is a speed limit of 10mph in all public areas.
13. **Pit Wall & Grid Safety:** Entrants must confine team members using Pit Wall to a maximum of two personnel per competing car and advise all personnel to follow Pit marshal's instructions without argument. The Pit Wall must be clear of all personnel for all race starts. No personnel are allowed on grid.
14. **Practice Sessions and Races:** All drivers (with the exception of Pre' 80 Endurance Derek Bell Trophy and Super Touring Cars), should go to the Assembly Area 15 minutes before their published session time or when called by marshals or paddock announcement, and then proceed onto the circuit as directed. N.B. Sessions may begin before the published time so please be ready and listen for paddock announcements. After the chequered flag, drivers should slow down and return to the Paddock as directed by the marshals. Pre' 80 Endurance and Super Touring Car competitors will assemble in the Pit Lane for both the start of their practice and races (see para 17).
15. **Qualification:** All drivers entered for a race must complete three laps in official practice to qualify. Drivers must practice in the relevant session for every race entered. Drivers wishing to practice out of session must obtain written permission from the Clerk of the Course and will start the relevant race from the back of the grid. The fastest time set by each car will determine grid position except for **Derek Bell Trophy, Super Touring and Historic Formula Ford** where the finishing position of race one will determine the grid for race two.
16. **Reserves:** Subject to qualification, reserves will be admitted to the races in the order published in the entry list if spaces are available.
17. **Grid Formation:** Will be 1x1 staggered for single seaters (except DBT) and 2x2 for all others (including DBT).
18. **Race Start Procedure:** Drivers in all races, unless otherwise specified below except Super Touring Cars Derek Bell Trophy and Pre'80 Challenge (who will assemble in the Pit Lane) should proceed to the assembly area 15 minutes before the scheduled start time of their race or when called by marshals or paddock announcement. Pre-gridding and the 1 minute and 30 second countdown will take place in the Assembly Area following which drivers will be released onto the circuit do one complete lap and then proceed to the Grid. This will constitute the 'green flag lap'. Please make sure you know which line on the grid to stop at. Upon arrival at the Grid, drivers should take up their positions as quickly as possible and, as soon as the last car is in position, the 5-second board will be displayed before the red lights are shown, followed between 3 and 5 seconds later by the red lights being extinguished denoting the start of the race.

**Drivers in the Pre '80 Challenge, Super Touring Cars and Derek Bell Trophy will have a Rolling Start. Pre '80 and Super Touring Cars,** Pre-gridding and the 1 minute and 30 second countdown will take place in the Pit Lane and the drivers will then be released onto the circuit via the Pit Lane and have one complete lap as their formation lap and form up on the Grid. When the last car is in position, the 5-second board will be shown followed by a waved green flag. The cars will then be led around for another lap behind a Pace Car and will form up in their 2 x 2 grid positions as they approach Clearways. The Pace Car will then extinguish its lights and exit the Track into the Pit Lane. Cars must then hold their position and speed. As the front row of the grid approaches the Start Line, the red lights will be extinguished denoting the start of the race but there must be no overtaking or changing of direction of any cars prior to crossing the Start Line. Should the red lights remain on, the start is aborted and cars should complete the lap and return to the Grid and the race start procedure will re-commence behind the Pace Car.

**Classic Formula 3 and Derek Bell Trophy,** Classic Formula 3 cars should proceed to the assembly area 15 minutes before the scheduled start time of their race or when called by marshals or paddock announcement. Pre-gridding will take place in the assembly area and then cars will be released into the pit lane to form the rear of the Derek Bell Trophy grid. The one minute and 30 second countdown will take place in the pit lane. following which drivers will be released onto the circuit do one complete lap and then proceed to the Grid. This will constitute the 'green flag lap'. When the last car is in position, the 5-second board will be shown followed by a waved green flag. The cars will then be led around for another lap behind a Pace Car and will form up in their 2 x 2 grid positions as they approach Clearways.

The Pace Car will then extinguish its lights and exit the Track into the Pit Lane. Cars must then hold their position and speed. As the front row of the grid approaches the Start Line, the red lights will be extinguished denoting the start of the race but there must be no overtaking or changing of direction of any cars prior to crossing the Start Line. Should the red lights remain on, the start is aborted and cars should complete the lap and return to the Grid and the race start procedure will re-commence behind the Pace Car. If there is any variation to the start procedure this will be announced at the Drivers Briefing.

19. **Practice Starts/Weaving:** Drivers indulging in practice starts or excessive weaving during the warm up/green flag laps will render themselves liable to exclusion as both actions are expressly forbidden.
20. **Race Stops:** Should any race be 'red flagged', notwithstanding the provisions of MSA Q5.4, it may be restarted at the discretion of the Clerk of the Course and if time permits, for the remaining scheduled distance. Only cars running at competitive racing speed when the red flag is displayed, will be allowed to take part in the restarted race and 'Parc Fermé' conditions will apply between the red flag being shown and the start of the restarted race. The grid for the restarted race will be the order in which the cars passed the Finish Line at the end of the lap preceding the lap on which the red flag was shown and the result of the race will be the order in which the cars cross the Finish Line when the chequered flag is shown at the conclusion of the restarted race. If a red flag is used twice in the same race, the restart will be put to the end of the normal timetable and will run if time allows.
21. **Disposal of Waste:** Would all competitors please be aware that it is no longer acceptable to leave or abandon empty fuel/oil containers, batteries and tyres behind when leaving a venue. Such items are classified as "hazardous waste" and it costs between £10 and £25 per item for safe disposal. Please also be aware that these items MUST NOT be placed in general rubbish skips at circuits; doing so could trigger a £1000 Local Authority Fine. Where it can be identified that a certain competitor or championship is responsible, charges will be passed on. Where it is not possible these charges will have to be absorbed and will then reappear as increased entry fees for all. Your co- operation would be appreciated - take your waste home and dispose of it safely.
22. **Use of Video Equipment:** It is only permissible for competitors to use vehicle mounted video recording equipment with the prior approval of MSV and any such equipment must be securely mounted, and in place, prior to vehicle scrutineering taking place.
23. **Decals:** Competitors are reminded that HSCC decals must be displayed (one on each side of the car) and, if supplied, race sponsor's decals must be prominently displayed on competing vehicles. Failure to display decals may result in exclusion.
24. **Fuel:** Sunoco (Anglo American Oil Company Ltd) will be in attendance and they will be situated in the Paddock. To order fuel please contact them on 01929 551557. The circuit fuel station will be open on request, by calling at circuit reception and asking for fuel. Please remember to check your Championship regulations before purchasing fuel. At this meeting only MSA 'Pump Fuel' or FIA 2013/2014 fuels are allowed to be used.
25. **Animals:** Animals are not permitted at the venue.

#### **SPECIAL NOTES**

26. **Historic Formula Ford and Historic Formula Ford 2000 Practice Sessions:** Drivers will be marshalled and released in the order from the current championship points table. Drivers not in the current championship table will be sequenced in car number order after those that are in the table.
27. **Historic Formula Ford Qualification:** Historic Formula Fords will have two double header Races. For Qualifying the entry will be split by Championship order. With the highest placed Championship contender into session A and the next highest into Session B. Based upon the current entry of 49 cars, The top six positions from each qualifying session will form the grid for the Championship Race (Race 3) The fastest session being in pole position with fastest driver from the alternate session lining up alongside. This will leave 26 positions at the rear of the grid. The remaining cars will go into Race 1 qualifying race and the top 26 finishers from this race will form the rear of Race 3 grid. For Sunday the top 12 finishers in Race 3 will be gridded in finishing order for the Championship race 13. The grid from Race 10 will then be formed in the finishing order of race 3 from positions number 13 back with non finishes entering in order of retirement order, the rear of the grid being formed from the finishing order of race 1 from positions 25 and back. The top 26 from Race 10 complete the rear of race 13 in the finishing order from race 10
28. **Historic Formula Ford Race Starts:** Prior to the start of Race 1 and 10 there will be a grid walk for invited Formula Ford Guests. So that this can take place you will be called up to the assembly area half an hour before the start of the race. You will be directed onto your grid place and advised to turn off your engine. The grid walk will be for approximately 20 minutes prior to the start of the race. There will be a full countdown and at the 5 minute signal you will be advised to return to your cars and strap yourselves in. There will then be a three minute, two minute and one minute signal. At the 30 second signal you will be shown a green flag to proceed onto your single warming up lap. You will return to your grid position for a standing start procedure which will commence with the display of a 5 second board. It is intended that you will then have a flag start. Full information will be given at your compulsory briefing on Saturday morning.
29. **Timing Modules:** Please ensure you have fitted a fully charged and working transponder on your car as per the MSA Yearbook 2017 Q12.2.1. It is vital that everyone has a working transponder. Any car without a working transponder will during qualifying receive a warning, please check the bottom of the timing sheet to see if your number is listed, failure to correct this will result in a time penalty of 30 seconds being added to your time for the race. The timekeepers at this meeting will have transponders available for hire for anyone who does not have a working transponder.
30. **Track Limits:** You should be aware of the MSA 2017 regulations concerning Track Regulations s Q 14.4.1 – Q14.6. For contravention of these rules the penalties described will be applied. If a car does not stop within the allocated time window there will be a 30 second penalty. There will be an additional time penalty of 1 minute added to the race time for anyone exceeding the pit lane speed limit which will be added to any other time penalties incurred. Failure to take the mandatory pit stop will result in exclusion from the results
33. **Guards Trophy Race and Jaguar Classic Challenge: These will be 40 minute races.** There will be a mandatory pit stop at which a driver change may occur. The car must remain stationary for a full one minute regardless of whether the driver changes or not. The driver does not have to get out of the car or stop the engine if there is no driver change. The Pit Lane will only be open for driver changes between the 10<sup>th</sup> and 30<sup>th</sup> minute and all cars, even those not changing drivers, must make a minimum one minute stop in this window. A "Pit Lane Open" board will be shown for 2 laps after the pit is opened and a "Pit Lane Closed" board will be shown for 2 laps after the end of the "Pit Window". All drivers must practice and the starting driver must be notified to Race Administration at least one hour prior to the start of the race. **The maximum speed in the Pit Lane will be 60kph (37.2mph).** No refuelling will be allowed. Car doors, seat belts/ harnesses must not be undone until the car is stationary. **If the car does not remain stationary for one full minute there may be a penalty of one extra minute added to its race time or the car could be called in for a drive through penalty.** It is the team's responsibility to time the stop but it will be monitored and checked by race officials. If a car does not stop within the allocated time window there will be a 30 second penalty. There will be an additional time penalty of 1 minute added to the race time for anyone exceeding the pit lane speed limit which will be added to any other time penalties incurred. Failure to take the mandatory pit stop will result in exclusion from the results.
34. **Red Flag Race Stoppage in Endurance Races.** In the event of a Red Flag being used to halt a race. The race will have been deemed to have been suspended and any deficit laps incurred by a competitor will be carried forward into the restart.'
35. **Derek Bell Trophy:** There will be two races for The Derek Bell Trophy and the grid for race two will be formed from the result of race one.
36. **Classic Formula 3:** There will be two Championship races for Classic Formula 3. The first will take place on the Saturday and is incorporated into the Derek Bell Trophy Race. The second race is on Sunday and Classic Racing Cars will be completing the grid. Please note there is a qualifying session for each race from which the grid positions will be set. Please refer to the accompanying timetable for the qualifying times.
37. **Safety Car & Live Snatch: Qualifying and Races** may be neutralised by the use of a Safety Car if necessary. The Safety Car will join the circuit from Graham Hill Bend when deployed. Live snatch may also be used for any of the practice sessions and races during this Meeting.
38. **Pit Garages:** Competitors using Pit Garages must ensure that the doors onto the Pit Lane remain closed except when their practice or race is taking place.
39. **Awards:** Winners Trophies will be presented in the Pit Lane opposite the Start/Finish Line. Class trophies (where presented) should be collected from the Race Administration Office one hour after the completion of the race. Any trophies not collected will be forfeit.
