Historic Formula Two FIA International Series 2018

Competitor Update No. 1

12th February 2018

Welcome to our new season of HF2.

Attached you will find a copy of 2018 technical and sporting regulations, a registration form and entry forms for the first race meeting at the Jim Clark Revival Hockenheim 20th – 22nd April website [www. http://www.hockenheim-historic.de/en](http://www.hockenheim-historic.de/en). This is a very special year being the 50th Anniversary of Jim Clark's untimely death at this circuit in April 1968. I do hope many of you will come to support the event.

In the Championship Regulations you will see we have divided the Formula Atlantic Class with the Pre'76 competitors competing for the Vern Schuppan Trophy with the 1976 – 1978 cars competing for the Bruno Gilles Villeneuve Trophy. You will also note we no longer have an individual Series Champion instead each class is competing for their own end of year Trophy. You will also see that we have amended the points table to reflect the level of competition so everyone who takes part is shown in the standings at the end of the year.

We hope you will like the race Calendar for this year. Two UK dates regrettably only one with the HSCC, but you are at some very high profile Race Meetings. Three of the race meetings will be alongside the Masters Racing Series and Championships which includes the FIA Masters Historic Formula One Championship.

We hope that some of you will reserve the dates of 2nd – 3rd June to take part in the Thruxton 50th Anniversary Meeting. We are running an up to 2 Litre Single Seater Race there, with the top placed Formula 2 car being awarded the Jochen Rindt Trophy. As you will recall Thruxton for a number of years opened the Formula 2 Season and over the years has seen some great Formula 2 races.

The Club will have a stand at the Historic Motorsport International Show at Excel London 15th – 18th February follow the link below if you would like a complimentary ticket:
