

JAGUAR CLASSIC CHALLENGE SERIES 2019

Competitor Update No. 1

28th March 2019

Dear Competitor

Welcome to the 2019 Jaguar Classic Challenge Series for Pre'66 Jaguar cars. We have added some variety to the calendar and included three HSCC events and three events from other promoters.

At each event you will have a 30 minute qualifying session and a single 60 minute race with optional driver change at a compulsory pit stop. For all three of the HSCC events you will qualify and race on the same day.

As before your race entry will include hospitality and a prize giving hosted by Jaguar. There are no changes to the series regulations for this year. The one important change is that we no longer require a series registration fee, so aside from your Race Entry the only charge we will be taking will be your HSCC Membership.

Tony O'Keeffe remains as your Jaguar liason and event co-ordinator and any pre-event enquiries should be directed Donna Skipworth-Mitchell in the HSCC Office.
