**Thundersports Briefing 12.15 pm. in the briefing room (by the pit lane cafeteria)**

**XL Aurora Trophy Briefing 13.00 Noon in the briefing room( by the pit lane cafeteria)**

8. **Engines & Silencing.** All competitors should ensure that their car complies with their championship regulations: XL Aurora Trophy, HGPCA, Dunlop Saloon Car Cup and Thundersports may run unsilenced, all other categories to MSUK silencing regulations (C(b)23 24) which will be either 105db GT, and Touring Cars or 108db for all other classes, e.g Single Seater, and Sports Racing Cars. **Jaguar Classic Challenge Class C competitors** may also run unsilenced as per their Series Regulations. Please note that racing engines cannot be run before 08.15h on Saturday and 09:15h on Sunday. Anyone in breach of this requirement maybe excluded from the Meeting.
9. **Paddock Allocation:** The Paddock Plan is enclosed so please park in your allocated area and give consideration to your fellow competitors by not using unnecessary space. A Trailer Park has been provided to assist with the congestion so please make use of it. Saturday competitors should please make space for Sunday competitors when they arrive.
10. **Roadways** within the Paddock area must be kept clear of all vehicles at all times. In particular, the access roadway from the tunnel to the Assembly Area must be clear at all times.
11. **Paddock:** It is forbidden to hammer pegs or stakes into the tarmac paddock surface. It is also forbidden to place markings on the Circuit, the Pit Lane, the Pits or Paddock surfaces. Any person damaging the surface may be excluded from the event and the competitor shall be subject to pay immediately liquidated damages of £500. In the event of an excessive cleaning-up operation caused by a competitor through negligence or bad preparation MSV may seek damages.
12. **Motorcycles, Moped, Scooter, Trike, or Quad Bikes:** Must all be ridden with all due care. The rider must have a valid driving licence and safety helmet and the vehicle must be road-legal, taxed and insured. Mini Moto's are NOT permitted on site. Scooters and quad bikes must be in a road worthy condition and be fitted with lights. Passengers are not permitted to ride on trailers or on quads, unless the quad bike is specifically designed to carry passengers. Helmets must be worn by anyone riding motorised vehicles (riders and passengers). Motorised vehicles are not permitted on any grass verges, banks, or any general public areas such as trade malls, and they must adhere to designated vehicle routes. Alcohol is strictly prohibited whilst driving any vehicle at the venue. There is a speed limit of 10mph in all public areas.
13. **Pit Wall & Grid Safety:** Entrants must confine team members using Pit Wall to a maximum of two personnel per competing car and advise all personnel to follow Pit marshal's instructions without argument. The Pit Wall must be clear of all personnel for all race starts. No personnel are allowed on grid.
14. **Practice Sessions and Races:** All drivers (with the exception of Dunlop Saloon Car Cup, Thundersports and XL Aurora Trophy Cars), should go to the Assembly Area 15 minutes before their published session time or when called by marshals or paddock announcement, and then proceed onto the circuit as directed. N.B. Sessions may begin before the published time so please be ready and listen for paddock announcements. After the chequered flag, drivers should slow down and return to the Paddock as directed by the marshals. Thundersports, Dunlop Saloon Car Cup and XL Aurora Trophy competitors will assemble in the Pit Lane for both the start of their practice and races (see para 17).
15. **Qualification:** All drivers entered for a race must complete three laps in official practice to qualify. Drivers must practice in the relevant session for every race entered. Drivers wishing to practice out of session must obtain written permission from the Clerk of the Course and will start the relevant race from the back of the grid. The fastest time set by each car will determine grid position.  
**For XL Aurora Trophy, Historic Formula Ford, HGPCA, Dunlop Saloon Car Cup and Thundersports** the finishing position of race one will determine the grid for race two.
16. **Reserves:** Subject to qualification, reserves will be admitted to the races in the order published in the entry list if spaces are available.
17. **Grid Formation:** Will be 1x1 staggered for single seaters (except XLA) and 2x2 for all others (including XLA).
18. **Race Start Procedure:** Drivers in all races, except XL Aurora Trophy, Dunlop Saloon Car Cup, and Thundersports, (who will assemble in the Pit Lane) should proceed to the assembly area 15 minutes before the scheduled start time of their race or when called by marshals or paddock announcement. Pre-gridding and the 1 minute and 30 second countdown will take place in the Assembly Area following which drivers will be released onto the circuit do one complete lap and then proceed to the Grid. This will constitute the 'green flag lap'. Please make sure you know which line on the grid to stop at. Upon arrival at the Grid, drivers should take up their positions as quickly as possible and, as soon as the last car is in position, the 5-second board will be displayed before the red lights are shown, followed between 3 and 5 seconds later by the red lights being extinguished denoting the start of the race.  
**Drivers in the Thundersports, XL Aurora Trophy and Dunlop Saloon Car Cup will have a Rolling Start.** Pre-gridding and the 1 minute and 30 second countdown will take place in the Pit Lane and the drivers will then be released onto the circuit via the Pit Lane they will have two complete lap formation laps behind the pace car. As they complete their second lap they will form up in their 2 x 2 grid positions as they approach Clearways. The Pace Car will then extinguish its lights and exit the Track into the Pit Lane. Cars must then hold their position and speed. As the front row of the grid approaches the Start Line, the red lights will be extinguished denoting the start of the race but there must be no overtaking or changing of direction of any cars prior to crossing the Start Line. Should the red lights remain on, the start is aborted and cars should complete the lap and return to the Grid and the race start procedure will re-commence behind the Pace Car.
19. **Practice Starts/Weaving:** Drivers indulging in practice starts or excessive weaving during the warm up/green flag laps will render themselves liable to exclusion as both actions are expressly forbidden.

20. **Race Stops:** Should any race be 'red flagged', notwithstanding the provisions of MSUK Q5.4, it may be restarted at the discretion of the Clerk of the Course and if time permits, for the remaining scheduled distance. Only cars running at competitive racing speed when the red flag is displayed, will be allowed to take part in the restarted race and 'Parc Fermé' conditions will apply between the red flag being shown and the start of the restarted race. The grid for the restarted race will be the order in which the cars passed the Finish Line at the end of the lap preceding the lap on which the red flag was shown and the result of the race will be the order in which the cars cross the Finish Line when the chequered flag is shown at the conclusion of the restarted race. If a red flag is used twice in the same race, the restart will be put to the end of the normal timetable and will run if time allows.
21. **Disposal of Waste:** Would all competitors please be aware that it is no longer acceptable to leave or abandon empty fuel/oil containers, batteries and tyres behind when leaving a venue. Such items are classified as "hazardous waste" and it costs between £10 and £25 per item for safe disposal. Please also be aware that these items MUST NOT be placed in general rubbish skips at circuits; doing so could trigger a £1000 Local Authority Fine. Where it can be identified that a certain competitor or championship is responsible, charges will be passed on. Where it is not possible these charges will have to be absorbed and will then reappear as increased entry fees for all. Your co-operation would be appreciated - take your waste home and dispose of it safely.
22. **Use of Video Equipment:** It is only permissible for competitors to use vehicle mounted video recording equipment with the prior approval of MSV and any such equipment must be securely mounted, and in place, prior to vehicle scrutineering taking place.
23. **Decals:** Competitors are reminded that HSCC decals must be displayed (one on each side of the car) and, if supplied, race sponsor's decals must be prominently displayed on competing vehicles. Failure to display decals may result in exclusion.
24. **Fuel: Vital Equipment with Carless Fuels will be in attendance providing Fuel and other services.** Sunoco (Anglo American Oil Company Ltd) will also be in attendance and they will be situated in the Paddock. To order fuel please contact them on 01929 551557. The circuit fuel station will be open on request, by calling at circuit reception and asking for fuel. Please remember to check your Championship regulations before purchasing fuel. At this meeting only MSUK 'Pump Fuel' or FIA 2013/2014 fuels are allowed to be used.
25. **Animals:** Animals are not permitted at the venue.

### **SPECIAL NOTES**

26. **Historic Formula Ford:** Drivers will be marshalled and released in the order from the current championship points table. Drivers not in the current championship table will be sequenced in car number order after those that are in the table.
27. **Guards Trophy Race: This will be a 40 minute race.** There will be a mandatory pit stop at which a driver change may occur. The Pit Lane will only be open for driver changes between the 15<sup>th</sup> and 25<sup>th</sup> minute and all cars, even those not changing drivers, must come to rest at their pit garage and make a minimum one minute stop in this window. The pit stop is monitored by the time keeping system which records the entry and exit from the pit lane. A median target time allowing for a full minute stationary time is used to report any infringements to the Clerk of the Course. For the pit stop the driver does not have to get out of the car or stop the engine if there is no driver change. A "Pit Lane Open" board will be shown for 2 laps after the pit is opened and a "Pit Lane Closed" board will be shown at the end of the "Pit Window". All drivers must practice and the starting driver must be notified to Race Administration at least one hour prior to the start of the race. **The maximum speed in the Pit Lane will be 60kph (37.2mph).** No refuelling will be allowed. Car doors, seat belts/ harnesses must not be undone until the car is stationary.  
**Penalties: If the car does not remain stationary for one full minute** there will be a penalty of either one extra minute added to its race time or the car could be called in for a Drive Through Penalty. (It is the team's responsibility to time the stop but it will be monitored and checked by race officials.) **If a car does not stop within the allocated time window** there will be a 30 second penalty. **Speeding:** Any infringement of this speed limit will incur a time penalty of up to 2 Minutes, which will be added to any other time penalties incurred. **Failure to take the mandatory pit stop** will result in exclusion from the results.
28. **Jaguar Classic Challenge: This will be a 60 minute race.** There will be a mandatory pit stop at which a driver change may occur. The Pit Lane will only be open for driver changes between the 25<sup>th</sup> and 40<sup>th</sup> minute and all cars, even those not changing drivers, must come to rest at their pit garage and make a minimum one minute stop in this window. The pit stop is monitored by the time keeping system which records the entry and exit from the pit lane. A median target time allowing for a full minute stationary time is used to report any infringements to the Clerk of the Course. For the pit stop the driver does not have to get out of the car or stop the engine if there is no driver change. A "Pit Lane Open" board will be shown for 2 laps after the pit is opened and a "Pit Lane Closed" board will be shown at the end of the "Pit Window". All drivers must practice and the starting driver must be notified to Race Administration at least one hour prior to the start of the race. **The maximum speed in the Pit Lane will be 60kph (37.2mph).** No refuelling will be allowed. Car doors, seat belts/ harnesses must not be undone until the car is stationary.  
**Penalties: If the car does not remain stationary for one full minute** there will be a penalty of either one extra minute added to its race time or the car could be called in for a Drive Through Penalty. (It is the team's responsibility to time the stop but it will be monitored and checked by race officials.) **If a car does not stop within the allocated time window** there will be a 30 second penalty. **Speeding:** Any infringement of this speed limit will incur a time penalty of up to 2 Minutes, which will be added to any other time penalties incurred. **Failure to take the mandatory pit stop** will result in exclusion from the results.
29. **HGPCA Qualifying:** All HGPCA cars with the exception of Class 5 and 7C will qualify in HGPCA qualifying session at 09.25.  
**Classes 5 and 7C will qualify with Historic Formula Junior at 10.35.** For qualifying purposes only in the event of duplicate numbers it maybe necessary to modify your competition number. If required these will be distributed FOC at signing on.
30. **Timing Modules:** Please ensure you have fitted a fully charged and working transponder on your car as per the MSUK Yearbook 2019 Q12.2.1. It is vital that everyone has a working transponder. Any car without a working transponder will during qualifying receive a warning, **please check the bottom of the timing sheet to see if your number is listed**, failure to correct this will result in a time penalty of 30 seconds being added to your time for the race. The timekeepers at this meeting will have transponders available for hire for anyone who does not have a working transponder.

31. **Track Limits:** You should be aware of the MSUK 2019 regulations concerning Track Regulations s Q 14.4.2 – Q14.5. For contravention of these rules the penalties described will be applied. There are circuit cameras at various corners and they will be used by Senior Officials, to detect and penalise infringements. Judges of Fact may also be appointed.
32. **Speeding in Pit Lane:** Please be aware that there will be a speed gun in operation at this meeting, and aside from specific race penalties dependent upon the severity of the offence other penalties may be applied as listed in the MSUK Year Book Section C2.1 **The maximum speed in the Pit Lane will be 60kph (37.2mph).**
33. **Safety Car & Live Snatch: Qualifying and Races** will be neutralised by the use of a Safety Car if necessary. The Safety Car will join the circuit from Graham Hill Bend when deployed.
34. **Pit Garages:** Competitors using Pit Garages must ensure that the doors onto the Pit Lane remain closed except when their practice or race is taking place.
35. **Awards:** Winners Trophies with the exception of Jaguar Classic Challenge, will be presented in the Pit Lane opposite the Start/Finish Line. Class trophies (where presented) will be awarded by the Championship/Series co-ordinators in their group areas after the completion of the race.
36. **Vacating the Paddock:** Please vacate the Paddock by no later than midnight on Sunday unless a late stay has been agreed with the circuit. Large vehicles in the Inner Paddock which cannot exit through the tunnel will not be able to leave until the end of the Meeting and must not attempt to move from their parking position before the end of the last race.
37. **Competitors must not exhibit** on or about the Circuit building and paddock any placards, banners or advertisements nor place any stickers, decals, or leaflets on any directional signs, buildings, information boards, windows, fascias, hospitality suites or doors at the Venue, without obtaining prior written permission from MSV. Any competitor found violating this condition shall be liable to pay MSV immediately liquidated damages of £100 plus the cost of rectifying any damage caused.
38. **Children:** over the age of 12 must be in possession of a valid ticket to attend a race meeting at MSV circuits. We are only able to issue the agreed tickets allocation per competitor.
39. **Testing:** Testing is available on the Indy Circuit on Friday 28<sup>th</sup> June. Please book online at [www.brandshatch.co.uk/testing.aspx](http://www.brandshatch.co.uk/testing.aspx) or telephone to 0843 453 2000.
40. We hope you have an enjoyable race meeting and to those of you who are having your first race with the HSCC – a very special welcome.
