A number of countries now have this printed on their licence. Please ensure you have permission before travelling. Warning: Arrival at the meeting with the wrong type of licence could result in you being unable to compete
6. **Drivers Briefings: New to circuit drivers briefing** for competitors who have not previously competed on the Silverstone National Circuit; must report to the Clerk of the Course for a Briefing on the First Floor of the Race Administration Building before their practice session at the following times:-  
Saturday: Qualifying for Races 1 - 3 at 08:15h; Races 4,5,6, 7, & 8 at 10:00h. Any Competitors for Classic Clubmans Qualifying (Race 9) either attend Briefing at 10.00 Hrs or report to the Clerk before your session at 17.10 on Saturday afternoon.  
Sunday: Qualifying for Races 13,14 and 19 at 08:15h  
If your sign-on or scrutineering times clash with these briefings please ensure you report to one of the Clerks of the Course before your first practice session.
7. **Engines & Silencing:** All competitors should ensure that their car complies with HSCC Championship or Series Regulations and MSUK silencing regulations which will be either 105db or 108db dependent on the regulations with the exception of XL Aurora Trophy, which will run unsilenced. There will be noise checks at this meeting. Please adhere to these regulations. If you have problems with silencing or have an engine that is noisy when running cold, please give yourself plenty of time to warm the engine before being tested. No racing engines are permitted to be run before 08.45h or after 18:00h on Saturday and before 08:45h or after 18:00h on Sunday. Anyone not complying with these rules will be asked to leave by the circuit management.
8. **Paddock Allocation:** For those electing to or not finding space in the garage allocation there is a large overflow paddock. Please park sensibly and give consideration to your fellow competitor.
9. **Roadways** within the Paddock area must be kept clear of all vehicles at all times.
10. **Paddock:** It is forbidden to hammer pegs or stakes into the tarmac paddock surface. It is also forbidden to place markings on the Circuit, the Pit Lane, the Pits or Paddock surfaces. Any person damaging the surface may be excluded from the Meeting and the circuit operators may take additional action to recover damages. There is a speed limit of 5mph in the Paddock and 20mph throughout the rest of the venue.

11. **Motorcycles, Moped, Scooter, Trike, or Quad Bikes:** Must all be ridden with all due care. The rider must have a valid driving licence and safety helmet and the vehicle must be road-legal, taxed and insured. Mini Motos are NOT permitted on site. Scooters and quad bikes must be in a road worthy condition and be fitted with lights. Passengers are not permitted to ride on trailers or on quads, unless the quad bike is specifically designed to carry passengers. Helmets must be worn by anyone riding motorised vehicles (riders and passengers). Motorised vehicles are not permitted on any grass verges, banks, or any general public areas such as trade malls, and they must adhere to designated vehicle routes. Alcohol is strictly prohibited whilst driving any vehicle at the venue.
12. **Pit Garage Allocation/ Pit Lane:** All groups have been allocated Pit Garages for this Meeting as per the enclosed plan. Please remember that cars cannot join practice or racing by going out of the Pit Garages directly from the Pit Lane with the exception of for XL Aurora Trophy. Please ensure you leave plenty of space behind the garages for all cars to get out. All Competitors allocated or using Pit Garages must ensure that the doors on to the Pit Lane remain closed at all times. No persons under or appearing to be under the age of 16 will be admitted to the Pit Lane.
13. **Pit Wall & Grid Safety:** Entrants must confine team members using the Pit Wall to a maximum of two personnel per competing car and advise all personnel to follow Pit marshals' instructions without argument. The Pit Wall must be clear of all personnel for all race starts. No personnel are allowed on the grid.
14. **Practice Sessions and Races:** All competitors (except XL Aurora Trophy who will start their qualifying sessions and Races from the Pit Lane) must proceed to the Assembly Area, which is situated just beyond the Medical Centre, 20 minutes before their published session time even if their cars are situated in the Pit Garages, and then proceed onto the circuit as directed. We have a very challenging timetable Sessions may start earlier than published so please be ready and listen out for any PA announcements. After the chequered flag, drivers should slow down, proceed round the circuit, enter the Pit Lane and return to the Paddock or Parc Fermé as directed by the marshals. Practice times and results will be available from the 1<sup>st</sup> floor of the Race Administration Office.
15. **Qualification:** All drivers entered for a race must complete three laps in official practice to qualify. The fastest time set by each car will determine grid position. Drivers must practice in the relevant session for every race entered. Drivers wishing to practice out of session must obtain written permission from the Clerk of the Course and will start the relevant race from the back of the grid.
16. **Reserves:** Subject to qualification, reserves will be admitted to the races in the order published in the entry list if spaces are available.
17. **Grid Formation:** Will be 2 x 2 for all races.
18. **Race Start Procedure: With the exception of XL Aurora** The race start procedure **for all races** will be as follows: Proceed to the assembly area 20 minutes before the scheduled start of your race. Pre gridding and the 1 minute and 30 second countdown will take place in the assembly area and drivers will be released onto the circuit do one complete lap and then proceed to the starting grid, this will constitute the 'green flag' lap upon arrival at the starting grid, drivers should take up their grid positions as quickly as possible and, as soon as the last car is in position, only the 5 second board will be displayed before the red lights are shown, followed between 3 and 5 seconds later by the red lights being extinguished denoting the start of the race.  
**Drivers in the XL Aurora Trophy race will have a Rolling Start** The race start procedure will be as follows: Pre-grid in the pit lane to be release behind the pace car for two laps as their formation laps. On the second lap if the clerk is satisfied the Pace Car will if clear turn off its yellow flashing lights at the end of Wellington Straight and will then turn into the Pit Lane at Woodcote. Competing cars must then hold their position and speed as the front row of the grid approaches the start line the red lights on the starting gantry will be extinguished denoting the start of the race but there is no overtaking or changing of direction for any cars prior to crossing the start line. Any car which falls more than 6 car lengths behind the row in front during the Pace Car Lap(s) thus being judged as penalising all following cars at the startline will be subject to a penalty unless it is the result of mechanical problem in which case the driver should raise an arm. Only under these circumstances may following cars overtake that car before the start line. Any infringements of the race start procedure may result in a time penalty of up to 60 seconds.
19. **As per HSCC Championship/Series Regulations Starts Para 2.5.6** Competitors are reminded. Should circumstances at the event change such as, but not restricted to, Track Conditions or Weather, the Clerk of the Course may change Standing Starts to Rolling Starts. When this decision is made all affected competitors will be notified at the earliest opportunity along with being advised of the number of Pace laps.
20. **Practice Starts/Weaving:** Drivers indulging in practice starts or excessive weaving during the warm up/green flag laps will render themselves liable to exclusion as both actions are expressly forbidden.
21. **Race Stops:** Should any race be 'red flagged', notwithstanding the provisions of Q5.4, it may be restarted at the discretion of the Clerk of the Course and, if time permits, for the remaining scheduled distance. Only cars running at competitive racing speed, when the red flag is displayed, will be allowed to take part in the restarted race and 'Parc Fermé' conditions will apply between the red flag being shown and the start of the restarted race. A Bulletin for information only will be produced recording the finishing order of all cars in the first part which can form part of the Championship points table where points are allocated for race starts and fastest laps. A grid for the restarted race will be produced in the order in which the cars passed the finish line at the end of the lap preceding the lap on which the red flag was shown and the result of the race will be the order in which the cars cross the finish line when the chequered flag is shown at the conclusion of the restarted race. If there is any variation to the start procedure this will be announced at a Drivers Briefing.
22. **Disposal of Waste:** Would all competitors please be aware that it is no longer acceptable to leave or abandon empty fuel/oil containers, batteries and tyres behind when leaving a venue. Such items are classified as "hazardous waste" and it costs between £10 and £25 per item for safe disposal. Please also be aware that these items MUST NOT be placed in general rubbish skips at circuits; doing so could trigger a £1000 Local Authority Fine. Where it can be identified that a certain competitor or championship is responsible, charges will be passed on. Where it is not possible these charges will have to be absorbed and will then reappear as increased entry fees for all. Your co- operation would be appreciated - take your waste home and dispose of it safely.
23. **Use of Video Equipment:** It is permissible for competitors to use vehicle mounted video recording equipment for personal use alone but they must have any such equipment securely mounted, and in place, prior to vehicle scrutineering taking place.
24. **Decals:** Competitors are reminded that HSCC decals must be displayed (one on each side of the car) and, if supplied, race sponsor's decals must be prominently displayed on competing vehicles. Failure to display decals may result in exclusion.

25. **Fuel: Vital Equipment with Carless Fuels will be in attendance providing Fuel and other services.** Sunoco (Anglo American Oil Company Ltd) will also be in attendance and they will be situated in the Paddock. To order fuel please contact them on 01929 551557. The circuit fuel station will be open between 08:00h and 17:00h.
26. **Animals:** Animals are not permitted at the venue.
- SPECIAL NOTES**
27. **Historic Formula Ford & Formula Ford 2000 Practice Sessions:** Drivers will be marshalled and released in the order from the current championship table. Drivers not in the current championship table will be sequenced in car number order after those that are in the table.
28. **Double Header Races Grid Formation:** Classic Clubmans, Classic Formula 3, Historic Formula Ford, Historic Touring Cars & XL Aurora Trophy, Races: The grid for race two will be formed from the result of race one. Historic Formula Junior Front and Rear Engine, the Grid for Race 2 will be formed from the Qualifying times. Historic Formula 3 the Race 2 Grid will be formed from the fastest lap set by each competitor in Race 1.
29. **Timing Modules:** Please ensure you have fitted a fully charged and working transponder on your car as per the MSUK Yearbook 2019 Q12.2.1. It is vital that everyone has a working transponder. Any car without a working transponder will during qualifying receive a warning, **please check the bottom of the timing sheet to see if your number is listed**, failure to correct this will result in a time penalty of 30 seconds being added to your time for the race. The timekeepers at this meeting will have transponders available for hire for anyone who does not have a working transponder.
30. **Track Limits:** You should be aware of the MSA 2019 regulations concerning Track Limits Q 14.4.2 – Q14.5. For contravention of these rules there may be penalties applied at the discretion of the Clerk of the Course e.g. in qualifying this may result in a lap time being disallowed if advantage has been gained, in the race a time penalty or exclusion may be considered for repeated transgression.
31. **Speeding in Pit Lane:** The speed limit within the Pit Lane will be a maximum speed of 60kph (37.2 MPH) this is applicable at all times. Please be aware that there will be a speed gun in operation at this meeting for both qualifying and racing, and aside from specific race penalties, dependent upon the severity of the offence, other penalties may be applied as listed in the MSUK Year Book Section C2.1
32. **Guards Trophy Race: This will be a 40 minute race.** There will be a mandatory pit stop at which a driver change may occur. The Pit Lane will only be open for driver changes between the 15<sup>th</sup> and 25<sup>th</sup> minute and all cars, even those not changing drivers, must come to rest at their pit garage and make a minimum one minute stop in this window. The pit stop is monitored by the time keeping system which records the entry and exit from the pit lane. **A median target time between the timing loops at the entrance and exit of the pit lane of 1 minute 20.1 seconds is the minimum time for the Silverstone Pit Lane** allowing for a full minute stationary time will be used to report any infringements to the Clerk of the Course. For the pit stop the driver does not have to get out of the car or stop the engine if there is no driver change. A "Pit Lane Open" board will be shown for 2 laps after the pit is opened and a "Pit Lane Closed" board will be shown at the end of the "Pit Window". All drivers must practice and the starting driver must be notified to Race Administration at least one hour prior to the start of the race. **The maximum speed in the Pit Lane will be 60kph (37.2mph).** No refuelling will be allowed. Car doors, seat belts/ harnesses must not be undone until the car is stationary.
- Penalties: If the car does not remain stationary for one full minute** there will be a penalty of either one extra minute added to its race time or the car could be called in for a Drive Through Penalty. (It is the team's responsibility to time the stop but it will be monitored and checked by race officials.) **If a car does not stop within the allocated time window** there will be a 30 second penalty. **Speeding:** Any infringement of this speed limit will incur a time penalty of up to 2 Minutes, which will be added to any other time penalties incurred. **Failure to take the mandatory pit stop** will result in exclusion from the results.
33. **Red Flag Race Stoppage in the Guards Trophy Race.** In the event of a Red Flag being used to halt the race. The race will have been deemed to have been suspended and any deficit laps incurred by a competitor will be carried forward into the restart.
34. **Safety Car:** The Safety Car may be used for both qualifying and racing at this Meeting.
35. **Awards:** Overall Trophies 1<sup>st</sup> – 3<sup>rd</sup> for all races Trophies will be presented in the pit lane with the exception of Classic Clubmans who have their own prize giving after the races. Class Winners and Placing presentations Competitors will be advised by their Group co-ordinators
36. **Testing:** There will be testing available on Friday 18<sup>th</sup> October. Please book direct with the circuit via their website, [www.silverstone.co.uk/track/general-testing/](http://www.silverstone.co.uk/track/general-testing/), or by telephone on 0844 3728 235.

On Sunday 3<sup>rd</sup> November there are Allcomers races for both Closed and Open Wheel cars plus on both days there is the Walter Hayes Trophy for Formula Fords entries and testing available on the Silverstone Website: <https://www.silverstone.co.uk/events/silverstone-walter-hayes-trophy/>
41. **HSCC Annual Awards:** A reminder please to all competitors holding HSCC annual awards from 2018 – we would like them returned to HSCC for engraving prior to the 2019 HSCC Awards Dinner and Dance at Whittlebury Park Golf Club on Saturday 23<sup>rd</sup> November.

42. **Contacting the HSCC:** For Race Meetings we have a new contact number that will be in use over the weekend as the office will be closed. It is a mobile number: 07707 732357 this will be available on both Saturday and Sunday. We are continuing to receive e-mails whilst at the circuit so you can also reach us that way too.
43. **Personal Security:** Sadly we need to remind competitors that not everyone attending our race meetings are motor sport enthusiasts. This year in particular it appears that Motor Sport is being targeted by professional thieves. They specifically target valuable property, e.g. tools, helmets, Hans Devices and, cash, credit cards etc. When leaving your car, trailer, or motorhome, please ensure all personal items are secure, and locked away. You are cautioned to remain vigilant and if at all possible, keep items of value, with a team member who does not have duties whilst racing. If you are unfortunate and robbed please contact security immediately so that we may have a chance of catching the offenders.
44. We hope you have an enjoyable race meeting and to those of you who are having your first race with the HSCC – a very special welcome.
