

THE ^{80's} PRODUCTION CUP

A series of races for Production Saloon, GT and Sports Cars of the 1980s.

With successful race series for 1960s and 1970s production cars, the HSCC now wants to take you to the 1980s. Bring out the shoulder pads and power dressing, as you set the cassette player or even your CD player to gain a little 'Money for Nothing' whilst 'Livin' on a Prayer'. We want to take you 'Back to the Future' avoiding the 'Aliens, and Extra Terrestrial Beings to transform you into a 'Top Gun'.
