WORTHING IMPLANT CENTRE

Worthy Awards report by Ross Drybrough.

*I hope the trophies that we have provided for the Class Winners this year have been a welcome addition to the races and provided a little bit more interest for many of you. It would appear I do not have to work out any complex maths this year, as no-one has participated in **every** event. It does take a lot of time to work out all the points- and it takes a few hours of time (after work) to get them out to you all- for which I apologise.*

CONGRATULATIONS to Pierre. Who has won both **Hunt Class** and the **HFF Worthing Implant Centre Series** over all.

He has driven consistently well all season, and Mike O'Brien and his superb team have provided him with a fast and reliable car (again!). I was privately hoping that Pierre would manage to win a race outright and move up to play with the Fittipaldi boys, but maybe next season, Pierre?

That would have given the rest of us a good 3-Class battle for the overall Series honours! Taking Pierre out of the mix, there are six drivers from the three different Classes, separated by only 15 points. (This was what I hoped would happen with the Series and the idea behind it, but maybe next year! Pierre was just too consistent.)

Cameron (L), Dick, Pierre, Tim and presenter Ross....all smiles...

FITTIPALDI: Cameron has won his Class, unsurprisingly! Well done Cam - another trophy for your bulging cabinet! He also won our Avon Tyre Set prize – lucky boy.

HUNT: Pierre Livingston...The Runner-Up spot was between Ben Tusting, Danny Stanzl and Rob Smith. 15 points separated them!

SCHECKTER: Tim Brise has taken the Class lead from Kevin Stanzl at Brands, and there were only 11 points between them into the last race.

SENNA: Dick Dixon won the Senna Class and Louis, the runner -up. Well done Dick!

Ross Drybrough. **Worthing Implant Centre**

WORTHING IMPLANT CENTRE

Championship Table attached with this newsletter.

"Is this a bad time to talk about global warming?"

HFF Competitors Class system. For those new to us or wonderfully confused with it all.

The system of Classes in our race series was proposed by some of our drivers and trialled in 2019 as an unofficial 'Ghost' Championship for the year. Organised brilliantly by our Ross Drybrough and sponsored under his Worthing Implant Centre Banner. If you are in need of a better smile see him...

Our HFF grid has effectively two races within one race. The overall Championship and the over-50's. We are very lucky to have such strong numbers of competitors.

The over 50's has been a great addition to HFF, but Ross's Class System divides the grid up into a further Class Award system and allowed us to run a parallel HFF Competitors Series alongside the main HFF Championships and within the same races.

The idea comes from clay pigeon shooting competitions, which uses a Class based system. As we all have basically the same cars, and engines, we have artificially introduced some Classes to allow more 'races' throughout the grid, and keep the competitive interest up.

The Proposal was to encourage participation, good grids, maybe more careful/considered driving? and consistency. The outcome was to be that the guys who always turn up, even though they don't have a hope in hell of winning outright, had something to get mildly encouraged about and something to chase to the end of the racing season.

In a nutshell, the idea split the grid into four Classes, based on the relative speed/talent level of each driver.

There were four Class-races, within each HFF race.

Points are scored for each Class, exactly the same as points are allocated for the Championship.

1. **FITTIPALDI**: class Drivers- any driver who have won an HFF race in the past. (regardless of when it was.)
2. **HUNT**: class Drivers- any driver who has finished in the top nine in the past season.
3. **SCHECKTER**: class Drivers- any driver who has finished a race 10th -19th in the past season.
4. **SENNA**: class Drivers- Any driver who has finished 20th or lower in the past season.

The **FITTIPALDI** Class were ineligible for the HFF Series overall honours, as they have the HFF Championship which kept them busy.

New drivers go into each class at their own choice and have results assessed over two rounds/races. If they are moved to another Class, they take their points with them. With the Series, it was decided you could only drop two race results.

At the end of the season, the winner of each Class received an HFF Series Class Winners trophy, and in addition to this, (to involve all of the grid) the highest scoring Class winner from the various Classes, won an overall HFF Competitor Series Cup. Further information will be forthcoming from Ross with refinements to the points system and discussion.

Mass race medicals at a reduced price in Herts near Hatfield, Tuesday evening 11th Feb 7:30pm for your annual race licence medical. Their usual medical team, led by Dr Hugh Powell, will be at Malcolm Rickett's workshops in Wheathampstead from 7:00pm onwards. Double check the date please with Bob to assess the probable numbers involved and venue directions. Email; robertpomeroy@hotmail.com Bob Pomeroy 00 44 (0)7973 613216

MARCEL ALBERS MEMORIAL TROPHY 29th – 31st MAY 2020
!!! ON THE NEW F1 CIRCUIT!!!
ZANDVOORT
helana@monoposto.nl

Provisional HSCC 2020 Calendar for UK Historic Formula Ford & Classic Formula Ford Championships.

4 - 5 Apr HSCC HFF, CFF & Heritage FF. Snetterton 300 circuit. This will be a Formula Ford Themed event with a Provisional Title of **the Jim Russell Trophy Meeting. 38 cars per grid. HFF 'A' race format single race on both days** plus possible race for **Formula Ford Champion of Snetterton Race. An 'A' & 'B' race format on both days is possible subject to extra entries. CFF; 2 Races over 2 days.** Programme likely to include FF2000, Classic Clubman's. Party, live band etc.

16 - 17 May HSCC HFF & CFF Silverstone 'International Trophy' Grand Prix Circuit Meeting 'A' race format single race on both days. 54 car grid rolling start. CFF; 2 Races on Sunday. Joint CFF & HFF Chili night party!

6 - 7 June HSCC HFF & CFF Donington Park. HFF 'A' race format ie this is a single race per day. 32 cars per grid. CFF; 2 Races on Saturday. A circuit with grace and speed.

27 - 28 June HSCC HFF Pembrey. HFF 30 cars per grid 'A' race format single race on both days. An 'A' & 'B' race format on both days is possible subject to entries. Celebrating the circuit's 30th Anniversary year. Those who enter this meeting will have priority booking for Brands GP.

11-12 July HFF & CFF HSCC Legends of Brands Hatch SuperPrix (GP Circuit) HFF 38 car-grid 'A' race format single race on both days. CFF; 2 Races over 2 days. BIG F5000 meeting. Gorgeous Brands at its best. Joint CFF & HFF party!

15th - 16th August. **Ireland's Mondello Park. HFF Non-Championship 'away race' Invitation at their Historic Race Meeting. 'A' race format single race on both days. Subject to confirmation and entry numbers.** If you intend to enter (12 so far), please let historiccff@gmail.com know by end of Feb. We hope discounted Ferry fees may be available, watch out for announcements (see also <https://www.mondellopark.ie/>), 3-4 other HSCC Formulas are considering attending this west of Dublin venue.

29 - 31 Aug HSCC HFF & CFF Oulton Park Gold Cup. HFF Two 'A' race format + Qualifying over 3 days. 38 cars per grid. CFF; 2 races + Q on BH Monday. BIG Northern Classic Car Event. Beautiful Parkland setting. Evening entertainment.

19 - 20 Sept HSCC HFF & CFF Cadwell Park. HFF A & B format on both days (subject to entries) 26 per grid. CFF; 2 Races over 2 days. Lincolnshire's exciting and challenging 'Mini-Nürburgring' parkland venue. HFF V CFF fun Cricket match & BBQ.

24 - 25 Oct HFF & CFF. The BRSCC Formula Ford Festival Brands Indy – Our 'Finals'. 30 car grid. One race each day. CFF; 2 Races over 2 days. We join with the world's best FF drivers and show them and UK's Formula Ford enthusiasts just how good we are.

An explanation for those new to us ref 'A' & 'B' Formatting.... Subject to race meeting programming, at some meetings there may be the opportunity to continue our 'come one - come all' racing format where we will not have any reserves (dependent on circuit grid numbers). There will be two qualifying sessions where the top half of each will qualify for race 2 'A' group and the lower 'B' group are in race 1.

Top finishers in race 1 then go to the rear of race 2 subject to grid space.

It works well makes life interesting and like abilities race together.

HFF Over 50's scoring system Apart from '4 dropped scores' points allocation will mirror that of the main championship, with the top 15 drivers receiving points with 25 points for a win, then 20, 16, 14, 12, 10, 9, 8, 7, 6, 5, 4, 3, 2 and 1 for 15th place.

In most cases at each meeting there is an allowance of 10% additional reserve entries in qualifying, entry fees returned (less £25) for non-starters.

Subject to each Championship Regs & entries; all HFF entrants are eligible to enter CFF & Heritage rounds.

All subject to change and confirmation. See HSCC Website for 2020 (updated I hope) regulations and calendar updates. <https://hsc.org.uk/>

21st November HSCC Trophies and Dance at Sywell. Northampton's 1930's-themed 'Aviator' Hotel. New for us, more atmosphere, cheaper accommodation and a fun 'Swing' Evening.

Note. Anglesey, Croft and Silverstone Finals events; We will be revisiting these popular venues in the future when they become available and will be requested for 2021.
