

HSCC Staff Disciplinary & Grievance Policy

1. DISCIPLINARY PROCEDURE

2. Anybody working in an organisation may at some time have problems or concerns about their work, working conditions or relationships with colleagues that they wish to talk about. We believe it is important to have a Disciplinary and Grievance Policy which clearly sets out the rules and procedures which we expect you to follow in line with current practices. We therefore urge you to familiarise yourself with this policy.

2.1. This policy will apply to all employees, volunteers, Directors and Board Members (hereinafter collectively referred to as Staff) and you are required to comply with it since it governs how we should work together. In the case of full-time staff any inconsistencies between this policy and your contract of employment, the terms of your contract will prevail.

2.2. Introduction

2.2.1. Concerns will be raised as a first stage informally. If the issue cannot be resolved then the HSCC may need to use the formal disciplinary procedure.

2.2.2. The disciplinary proceedings and any documents produced for these purposes will be kept confidential.

2.2.3. Staff will be given full written details of any allegations of misconduct, together (where possible) with any supporting evidence.

2.2.4. Staff will be given the opportunity to challenge these concerns before any decision is reached.

2.2.5. At all stages of the disciplinary process (except for investigatory interviews) the Staff member will be entitled to be accompanied.

2.2.6. Depending upon the circumstances the HSCC reserves its right not to carry out a separate investigation meeting.

2.3. Offences under the HSCC's disciplinary procedures fall into 3 categories namely:

2.3.1. misconduct

2.3.2. gross misconduct

2.3.3. incapability

2.4. The HSCC may deal with an unsatisfactory sickness record by using the disciplinary procedure if a Staff member has frequent time off for unexplained absence. Alternatively, if there is an underlying medical condition or an Staff member is off work long-term due to ill health the Business will seek medical details from the Staff member's doctor or request for a medical report to be undertaken to assess the prognosis and any reasonable adjustments that need to be made.

HSCC Staff Disciplinary & Grievance Policy

2.5. There is a right of appeal at each stage of the procedure to the Executive Board.

2.6. **Informal Action**

2.6.1. In cases of minor misconduct or unsatisfactory performance, an informal approach may be used to try to resolve the matter. It may be that the matter is dealt with by way of a letter which outlines the future conduct of the member of Staff or the actions they are to take rather than taking formal action. However, if this is not appropriate, or if an informal approach does not result in the desired improvement, the standard disciplinary procedure will be applied. The HSCC is able to decide to issue a Verbal Warning or an Improvement Letter to any member of Staff which may or may not be part of the formal disciplinary process.

2.7. **Suspension**

2.7.1. In certain circumstances, the Club may decide to suspend a member of Staff from work or from events and Board meetings as part of a disciplinary process.

2.8. **Disciplinary Procedure**

2.8.1. No action will be taken before an investigation has been undertaken relating to the circumstances of the matter complained of.

2.8.2. If there is a need to adopt the formal disciplinary process the Staff member will be provided with written allegations setting out the Staff member's conduct or performance and the reason why this conduct or performance is unacceptable.

2.8.3. At the same time, the Staff member will be invited to attend a disciplinary meeting (and may be accompanied).

2.8.4. The member of staff will be provided with a copy of any documents that are to be used and must likewise provide in advance copies of any documents he or she intends to use not less than seven days prior to the scheduled meeting.

2.9. **The Disciplinary Meeting**

2.9.1. The meeting shall be held within a reasonable period of time and if possible, the timing and location of the hearing will be agreed with the Staff member.

2.9.2. The Staff member must make every reasonable effort to attend the meeting. If they fail to attend, and do not have a valid reason for not attending, a decision may be made in their absence.

HSCC Staff Disciplinary & Grievance Policy

- 2.9.3. At the meeting the HSCC will confirm the details of the complaint and the evidence that has been gathered.
- 2.9.4. The Staff member will then have an opportunity to set out his or her case and answer the allegations being made. In doing so, they may ask questions and ask for any witnesses to attend. If the HSCC intends to use any witnesses at the disciplinary meeting it will give notice of this not less than seven days in advance.
- 2.9.5. The meeting may be adjourned if it is necessary or desirable, for instance to obtain more information.
- 2.10. **The Decision**
- 2.10.1. Once the meeting has been concluded, a decision will be made as to whether disciplinary action is justified and the Staff member will be informed either by meeting or in writing of the outcome of the hearing within a reasonable period of time. Before deciding on any disciplinary action, the Company will take into account the following:
- A Staff members disciplinary and general record;
 - Actions taken by the HSCC in previous situations;
 - The explanation given by the member of Staff concerned;
 - Whether the decision is reasonable under the circumstances.
- 2.11. **Disciplinary Sanctions**
- 2.11.1. If it is concluded that the Staff members conduct or performance warrants disciplinary sanctions, and if the Staff member does not successfully appeal the decision, the following stages will usually be applied
- 2.12. **Stage 1 - First written warning**
- The Staff member will receive either a first written warning, setting out the improvements that need to be made and a timescale for achieving them. It may be that the Staff member has been issued with a verbal warning previously as part of the disciplinary procedure although the Company may move to a written warning if the issue warrants such action, as it is not obligated to issue a verbal warning. In the absence of further offences, the warning will be removed from the Staff member's records after twelve months. **The Company may extend**

HSCC Staff Disciplinary & Grievance Policy

the time the warning is in place in appropriate circumstances. In cases of misconduct the warning or note will be by way of a caution against future misconduct.

Stage 2 - Final written warning

If the improvements are not met within the timescale, or if there is continued misconduct or poor performance, the Staff member will be issued with a final written warning. This will set out further conditions for improvement or caution against future misconduct. In the absence of further offences, the warning will be removed after twelve months. **The Company may extend the time the warning is in place in appropriate circumstances.** It is not necessary for further misconduct to be the same as that set out in a previous warning in order to progress to either a final written warning or dismissal. It is sufficient that further misconduct has occurred.

Stage 3 - Dismissal

If the conditions of the final written warning are not met, or if the allegation concerns gross misconduct or gross negligence (regardless of whether there are any active warnings on the Staff member's record) the Staff member may be dismissed or in the case of a volunteer not offered any more work. In the case of a Board Member the issue will be referred to the Executive Committee for a decision. Gross misconduct/negligence will usually result in immediate dismissal or exclusion from the HSCC without notice or payment in lieu of notice.

2.13. If the Staff member's misconduct or poor performance is sufficiently serious, the disciplinary procedure may begin at stage 2 or stage 3.

2.14. **Appeals**

2.14.1. If the Staff member is dissatisfied with a disciplinary decision, he or she may appeal.

2.14.2. An appeal must be in writing, state the grounds for the appeal, and be lodged within five working days of the disciplinary decision with the Chief Executive.

2.14.3. At the meeting, the Staff member may be accompanied.

2.14.4. Following the appeal, the Staff member will be informed in writing of the outcome of the appeal hearing within a reasonable period of time.

2.15. **Examples of Gross Misconduct**

2.15.1. The following is a non-exhaustive list of offences which amount to gross misconduct:
