

For all HSCC race meetings, Vital Equipment will have the following fuels from its fuel pumps:

Carless Hiperflo Super Plus: a 98 octane consistent Super Unleaded fuel
£1.35 per litre + VAT

Carless Hiperflo 300: a 102 octane Unleaded fuel
£2.27 per litre + VAT

Carless Hiperflo Classic 102: a 102 octane Leaded fuel
£2.62 per litre + VAT

All the above fuel can be dispensed direct into competitors' vehicles or into fuel containers.

Competitors are requested to order the approximate amount of fuel they require the week before each meeting. However, only the fuel dispensed will be invoiced. Fuel can be ordered by email to info@vitalequipment.co.uk , by telephone 01981 241169, or by using the HSCC dedicated fuel order form on the Vital Equipment website: <https://www.vitalequipment.co.uk/pages/hscf-fuel-order-form>
