Important notes to go with the Final Instructions for Cadwell Park, July 26th 2020.

Welcome to the BRSCC/CMMC Cadwell Park Classic and Modern Motorsport Raceday and we hope you enjoy your day's motorsport.

We now have a photographer on board for this event. She is Rachel Bourne and she can be contacted at info@bournephoto.co.uk Tel is 01492 680425/07713 125252. www.bournephoto.co.uk
If you want some photos of your car, get in touch with her.

Can I please remind **ALL** competitors that it is important that you have all filled in you pre-event paperwork (scrutineering/signing on and photo of licence) and sent it either to you co-ordinator or to me. It is especially important that we have contact details of **ALL** those who are going to accompany you. If they change we must know the new details. Remember there will be no paper trail for this meeting. Everything is done virtually.

Race Day Information

All practice times, grid sheets, provisional results and official bulletins, etc. will be posted on the TSL event page and/or BRSCC virtual Notice Board.

The Circuit has reminded us that **Animals are strictly prohibited**

Please pay particular attention to section 6 of Final Instructions where it states there will be no mixing of paddock personnel and spectators.
