- HGPCA:** Historic Grand Prix Cars Association

Race entries open for 2021

In early February, the Club office opened race entries for all of our 2021 race meetings as well as all rounds of the Historic Formula 2 Series and the HSCC Thundersports race at the Silverstone Classic.

Racers can now enter any or all 2021 race meetings. As before, no entry fees will be taken until entries close around two weeks before each event.

Racing members can renew their membership and enter race meetings on-line at www.hsc.org.uk. Membership renewal forms are also available at: www.hsc.org.uk/membership/

In addition, testing bookings for Brands Hatch (Friday 9 July) and Oulton Park (Saturday 28 August) are now available from the HSCC website at:

www.hsc.org.uk/event/brands-hatch/
www.hsc.org.uk/event/oultion-park/

Anyone who is not currently a racing member or has problems with the on-line system should e-mail alan@hsc.org.uk or donna@hsc.org.uk for assistance.

Obviously, the 2021 calendar remains subject to guidelines and directives from the government and Motorsport UK and so events may be postponed or re-scheduled. However, the Club is pushing ahead with the planned schedule and everyone involved hopes that the season will run as intended. Should any event be changed at any point, competitors will have payments transferred or refunded in full.
