

ISSUE 6: HISTORIC SPORTS CAR CLUB – 01.04.21

## WELCOME

Welcome to the sixth issue of the Members' Newsletter for 2021.

This is a brief interim newsletter ahead of the start of the 2021 racing season as HSCC Historic F2 and Classic F3/Classic FF2000 are part of the Masters event at Donington on Friday and Saturday of this Easter weekend.

Of course, we are sad that we cannot welcome our European friends to the F2 grid but we hope to see them again soon. In the meantime, we still have a fantastic 26-car F2 entry and we wish everyone a great start to the season.

Looking a little further ahead, many of our championships start at Snetterton (April 17/18). We already have a fine entry assembled but still have space for more!

Finally, below is the result of the Club vote for the role of Vice Chairman.

### Strong response to HSCC Thundersports

Competitor response to the 2021 Carless Racing Fuels HSCC Thundersports Series is booming with two months still to go to the opening races of the season.

The huge 50-car grid for the two half-hour races on the Silverstone Grand Prix circuit on 22/23 May is already more than half full and grids for other races on the schedule are also filling up.

### Live-streaming for Donington F2 races

Although spectators cannot be admitted to Donington Park over the Easter weekend, good news for fans is that Masters Historic Racing will be live-streaming Saturday's race programme, which includes two Historic F2 races.

The F2 races are due to start at 12.55pm and 17.05pm (Saturday 3 April) and the coverage will be available: [CLICK HERE FOR LIVE COVERAGE](#)

### Vice-Chairman

Following the recent members' vote for the election of Vice Chairman, we can confirm that Frank Lyons has been elected with effect from 1 April.

We welcome Frank into the role and pay tribute to the outstanding contribution made to the Club by Charles Barter during his time as Vice-Chairman.

We are pleased to confirm that Charles will continue in the role of Championship Chairman for the 70s Road Sports.

### Hockenheim F2 postponed

Sadly, the second event on the Historic F2 calendar at Hockenheim on 8/9 May has now been postponed due to the pandemic. A late August date is currently under consideration and we will advise as soon as we hear more.

## OVER 200 ON THE SNETTERTON 300

The total entry for our season-opener on the 300 circuit at Snetterton is now well over 200 cars, but we'd love to see more. There is space on all grids and entries can be made via the HSCC website:
