Supplementary Regulations

on the grid MSUK Regulation Q12.4. Drivers who are allowed to qualify out of session will start from the back of the grid. The fastest time set by each car will determine grid position (MSUK rule Q12.9.3 will apply. The maximum number of starters for each race are as shown in the MSUK Year Book for the circuit configuration used. For qualifying the maximum number of cars on the circuit may increase up to a maximum of 20%, subject to the conditions of the track licence, to allow notified reserves to qualify. Reserves: Subject to qualification, reserves will be admitted to the races if spaces are available in the order published in the entry list.

17. **Starting Grids:** Competitors are reminded of the provisions of Q 12.9.12 (iii) It is strongly recommended that competitors visit the grid, prior to their race, to acquaint themselves with the markings and other features of the grid. If a competitor is deemed to have made a false start (Q12.13) the Clerk of the Course may impose either a time penalty of a range between 5 or 10 seconds or a drive through penalty.
18. **Race Starting Procedure:** All HSCC races will be either standing start or rolling start. The type of start for each meeting will be declared in the Final Instructions. The Senior Clerk of the Course may in his absolute discretion change the start procedure if required. The HSCC quick start procedure will be used. Drivers in all races should proceed to the assembly area designated in the Final Instructions (for selected races this maybe the pit lane) 15 minutes before the scheduled

start of their race or when called. Pre-gridding and the 1 minute and 30 second countdown will take place in the assembly area.

19. **Standing Start:** Drivers will be released on to the circuit, do one complete lap and then proceed to the starting grid, this will constitute the 'green flag' lap. Upon arrival at the starting grid, drivers should take up their grid positions as quickly as possible and, as soon as the last car is in position, only the 5 second board will be displayed before the red lights are shown, followed between 3 and 5 seconds later by the red lights being extinguished denoting the start of the race
20. **Rolling Start Procedure:** Cars will be pre-gridded behind the pace car in either a 2 x 2 or 1 x 1 grid formation. When instructed by the Clerk of the Course the 'Pace Car' with yellow roof lights illuminated will move off and complete one green flag lap (n.b. should the weather have changed since qualifying or for other reasons of safety the Clerk of the Course may increase this). The 'Pace Car' will dictate the speed of the green flag laps.

Competing cars should follow at a safe distance from the 'Pace Car' maintaining their grid positions. The lead cars must have the 'Pace Car' in full sight for the duration of the green flag laps, should the need arise to delay or abort the start.

The 'Pace Car' will indicate an impending Race Start by extinguishing its yellow roof lights and entering the pit lane. Competing cars must then **hold their position and speed as set by the**

Supplementary Regulations

Pace Car, as the front row of the grid approaches the start line the red lights on the starting gantry will be extinguished denoting the start of the race.

There will be no acceleration or increase in speed before the Red Light is extinguished. There shall be No overtaking or changing of direction prior to crossing the start line. [n.b. should a competitor suffer a mechanical problem they should indicate this to other competitors by raising their arm and safely pulling off the circuit into the pit lane or adjacent to a Marshal post].

It's strictly forbidden for cars to back up or hold other competitors during the green flag laps in attempt to gain a competitive advantage. It is also strictly forbidden to excessively brake, weave and accelerate in an attempt to warm tyres.

Drivers who are judged to have performed practice starts or excessive weaving during the warm up/green flag laps will be reported to the Clerks of the Course.

Any car which in the opinion of the Clerks of the Course fails to maintain its position and speed set by the 'Pace Car' prior to crossing the start line or is guilty of any of the preceding instructions will be penalised and in addition to any offences outlined in the 'MSUK Yearbook any infringements of this race start procedure may result in a time penalty of up to 60 seconds or disqualification from the race.

21. **Red Lights:** Should the red lights remain on, the start is aborted and cars should complete the lap and return to the starting grid.

22. **Red Flag:** Should any race be 'red flagged', it may be restarted, at the discretion of the Clerk of the Course and if time permits, for the remaining scheduled distance. The grid for the restarted race will be the order in which the cars passed the finish line at the end of the lap preceding the lap on which the red flag was shown and the result of the race will be the order in which the cars cross the finish line when the chequered flag is shown at the conclusion of the restarted race. In the interval between stopping and restarting the race cars may return to the pits for repairs. Subject to approval from a scrutineer they may rejoin the race start from the Pit Lane. Equally if approved by the Scrutineer non-running cars at the time of the Red Flag can rejoin the race from the Pit Lane in order behind those previously mentioned. For clarity see section Q12.15 - Q12.16. If there is any variation to the start procedure this will be announced at a drivers briefing. On some occasions pre gridding for some groups may take place in the pit lane, if this is the case it will be notified in the final instructions.

23. **Pit Garage Allocation:** Will be notified in the meeting Final Instructions.

24. **Pit Wall & Grid Safety:** Only two personnel per competing car are allowed onto the pit wall. All personnel must follow Officials instructions without argument. The pit wall must be clear of all personnel for all race starts. No personnel are allowed on grid without prior permission.

Supplementary Regulations

25. **Paddock Parking:** A plan showing the allocation of Paddock space will accompany the event Final Instructions.
26. **Judges:** Judges of fact, may be appointed to adjudicate on noise, false/ jump starts, finishing order, crossing a penalty line and overtaking under a yellow flag. A Driving Standards Observer will be appointed and notified with the event Final Instructions.
27. **Awards:** There will be a trophy for each overall race winner plus second and third overall. Subject to a minimum of three starters in there will be a trophy for each class winner. Race winners' trophies will be presented on the podium or in accordance with the Championship/ Series Chairs wishes. Class trophies will be presented as detailed in Event Final Instruction. All those not collected at the meeting will be forfeited.
28. **Silencing:** All cars must be fitted with a silencer and comply with their championship and MSUK Regulations J5.17.2 J5.17.8 notwithstanding, unless stated otherwise within the event Final Instructions.
29. **Nominated drivers:** Driver nominations may be deferred but under no circumstances may a driver compete without signing the appropriate indemnity declaration. MSUK regulation D13.1.
30. **The Organisers or MSUK Steward:** in their absolute discretion have the right to postpone, abandon or cancel the meeting or any part of the meeting. In the event of postponement, abandonment or cancellation, the Organisers, promoters and the HSCC will not be liable for any loss or expense incurred by entrants or drivers.
31. **Race results:** Will be based on finishing order determined by the Chief Timekeeper and/or judges of fact. Competitors are reminded of MSUK Regulation Q12.8.1 'At all times throughout the event competing vehicles shall be fitted with a working Timing identification module (i.e.Transponder)'.
32. **Results:** Provisional results will be circulated via e-mail or SMS text to competitors as soon as practical after each practice or race. Protests must be made in accordance with MSUK regulations C5.1 - 5.7.
33. These regulations should be read in conjunction with the race meeting entry form. Final instructions will be issued approximately two weeks before a race meeting with race meeting and circuit specific instructions and information.
