# Final Instructions

19. **Race Start Procedures:** Drivers must proceed to the assembly area 15 minutes before the scheduled start time of their race or when called. Pre-gridding and the 1 minute and 30 second countdowns will take place in the assembly area.

20. **Standing Start:** Pre-gridding and the 1 minute and 30 second countdown will take place in the Assembly Area following which drivers will be released onto the circuit, by the display of the green flag.

They will complete one lap and then proceed to the Grid. This will constitute the 'green flag lap'.

Drivers indulging in practice starts or excessive weaving during the warm up/ green flag lap will render themselves liable to exclusion.

Please make sure you know which line on the grid to stop at. Upon arrival at the Grid, drivers should take up their positions as quickly as possible and, as soon as the last car is in position, the 5-second board will be displayed before the red lights are shown, followed between 3 and 5 seconds later by the red lights being extinguished denoting the start of the race.

21. **The Grid formation for Double Header Races:** Both Grids for Historic Formula Junior Front and Rear, will be formed from the Qualifying Times. The Grid for the Historic Formula 3, Race 1, will be formed from the Qualifying Times, Race 2 will be formed by the Competitor fastest lap in Race 1.

22. **Historic Formula Ford 2000:** Due to a high response to entries, the Historic Formula Ford 2000 Race has been split into two races.

The entry will be ceded and placed into A & B groups for Qualifying.

The top 5 from each group will be placed automatically into the main Championship race, with the quickest driver in the fastest heat taking pole position, whilst the quickest driver in the second heat lining up alongside him on the grid with the remaining grid positions alternating between the two qualifying sessions.

The remaining cars will take place in a qualifying race using the alternate positions from the qualifying sessions to establish the grid. The results of the qualifying race will form the remainder of the grid for the championship race positions 11 - 30.

The Top 10 Finishers in the first Championship race will automatically progress to the second Championship, whilst all remaining finishers and non qualifiers will be placed into the second qualification race the grid being formed from the result of Championship Race 1 with anyone not graduating from the qualification forming the remaining positions on the grid.

The result of the second qualification race will complete the grid of the second Championship race positions 11 - 30.

For all remaining races The finishing order of the first race will determine the grid for the Second Race.
