

## **Successful HSCC Wolds Trophy at Cadwell Park**

Fine racing, excellent grids and warm sunshine made the Historic Sports Car Club's Wolds Trophy another great success at Cadwell Park over the weekend (5/6 June).

With spectators welcomed back into the venue in good numbers and a full programme of 20 races, it was a great weekend of racing at the three-dimensional Lincolnshire venue.

On Saturday afternoon 70s Road Sports Kevin Kivlochan doubled up in the opening Historic Road Sports counter with a consummate win in his mighty AC Cobra from regular rival John Davison (Lotus Elan) and Peter Garland in his Morgan Plus 8.

Behind them, some mighty Lotus Elan battling kept the crowd well entertained. Sunday's second race was pretty much a repeat as fine field of 24 varied cars completed the second 20-minute contest.
