

ISSUE 11: HISTORIC SPORTS CAR CLUB - 18.06.21

WELCOME

Welcome to the eleventh issue of the Members' Newsletter for 2021.

This is a really busy time of the season as our race meetings at Cadwell Park, Donington Park and Brands Hatch come in quick succession.

I hope everyone enjoyed our trip to Cadwell Park in the sunshine. It was very pleasing to have good grids and a visit from Jonathan Palmer on Saturday morning. As ever, we thank our marshals and volunteer officials for their vital support.

Now we are heading for our race weekend at Donington Park (26/27 June), another great venue. We have over 260 entries but still have space on most grids, so please do enter as quickly as possible if you are planning to come.

Two weeks after Donington is our Legends of Brands Super Prix (9-11 July), with Friday's action on the Indy circuit and then the weekend on the Grand Prix circuit.

There is testing available on Friday morning on the Indy circuit, which should be booked with the Club office and there is a booking form on the Club website:

Please note the plan for the Brands Hatch weekend has evolved, so do watch out for the final timetable, which will be issued shortly.

I hope to see many of you at Donington Park.

Andy

Friday 18 June 2021

EVENT NOTICE BOARDS

Please don't forget that all competitor and event information during a race meeting will be posted on our e-notice board, which can be found at:

[EVENT NOTICE BOARD](#)

This section of our website should be your first port of call for lots of information and updates as the race meeting progresses.

Cadwell Park Report

Fine racing, excellent grids and warm sunshine made the Club's Wolds Trophy another great success at Cadwell Park over the weekend (5/6 June).

With spectators welcomed back into the venue in good numbers and a full programme of 20 races, it was a great weekend of racing at the three-dimensional Lincolnshire venue.

AMERICAN SPEEDFEST

This year's American SpeedFest is to be held at Brands Hatch on 3/4 July. Traditionally Formula 5000 has been on the programme and this year the entry has been extended to all Aurora Trophy competitions. Races for our cars will run on both Saturday and Sunday.

Entry forms are available from Terry Jacobs, the Aurora technical lead:

Email: terryalan.jacob@gmail.com

Or call Keith Norris on 07736 339934 for more details.

It's important we keep supporting this event to ensure next year's invite and because these are fantastically fun events.

As in previous years, MSV expect the event to be a sell out with plenty of off-track attractions including car shows, a trade village and the sounds of American music.

Monster truck rides are available but that's what we have F5000s for!

HISTORIC RACING

The latest issue of the HSCC club magazine, Historic Racing, arrived with members recently. Here is the link to the e-version:

CELEBRATING MURRAY WALKER

Murray Walker was regarded by many as Formula 1's greatest fan, a reputation gained through being identified as 'the voice of Formula 1' for millions of fans around the world.

From Grand Prix cars to touring cars, rallying to rallycross, or moto cross to club and international motorbike racing, one voice captured the excitement of it all. A new event is designed to celebrate his life and his unique contribution to the sport. With insights from former colleagues, friends and fans alike, this is an event where we say a heartfelt thank you to such a unique character.

"The timing of the event is especially poignant. Our ambition is to create 'The Walker Weekend'. Our event will be held at The National Motor Museum Beaulieu on the evening of 14 August 2021, and on Sunday 15 August, Beaulieu also hosts the annual Graham Walker Memorial Run for vintage motorcycles. An event staged in memory of Murray's father who was the first curator of motorcycles for the Montagu Motor Museum, forerunner to today's museum. Be part of this occasion for a weekend dedicated to the memory of these two giants of the motorsport microphone,"

organiser Richard Morgan explained.

"With contributions from legends of our sport including Steve Soper, Andy Priaulx, Jean Todt, Steve Parrish and Sammy Miller, it promises to be a thoroughly entertaining evening spent at full throttle as we pay our respects to Murray," he said.

"We are delighted to be supporting this prestigious event. Murray Walker's contribution to motor sport was immense, and to participate in this event to salute his achievements is a privilege."

ANDY DEE-CROWNE

The HSCC's contribution will be distinctive as the partner of 'The Racing Paddock' vehicle display. For HSCC members, there is a special invitation. "In our Racing Paddock display, we will feature racing vehicles that span the Walker era (1949-2001) of motor sport. I invite members to attend and bring a suitable racing vehicle to feature in that display," said Dee-Crowne.

To discuss the opportunity to be involved, contact Richard Morgan on 07546 102032
