

REPORT: HSCC Brands Hatch Super Prix

The Historic Sports Car Club's Legends of Brands Hatch Superprix delivered an outstanding three days of historic race action on both the Indy and Grand Prix circuits at the famous Kent venue (9-11 July).

The 70s Road Sports race was briefly interrupted by a safety car. Will Plant (Morgan Plus 8) resumed control from the re-start but Jim Dean had other ideas in his Lotus Europa and hunted down the Morgan over the final laps to finish just 18 hundredths of a second adrift in a thrilling last lap dash to the line. Will's father, Richard, narrowly took third but had to work hard to see off Dave Karaskas (TVR 3000M) and John Williams (Porsche 911).
