

## Notes on the Brands Hatch weekend – 9-11 July, 2021

Brands Hatch has testing on the Indy circuit available on Thursday 8 July if anyone wants to test on Thursday.

With there being testing on Thursday, we don't think there will be access into the centre paddock until after 18.00 on Thursday, possibly later.

We some have space left on the Friday morning for open wheeler practice but only the last session of the morning is available. There is plenty of closed wheel space available in the two sessions. These sessions are run as part of the race meeting so all those taking part must have submitted in advance their Race Declarations and to Sign On.

Prior to going on circuit drivers must collect their session wristbands which will be available from the Ground Floor of Race Control. These will be available from 07.45 on Friday morning.

For Friday, paddock access is via the Main Gate. The Scratchers Lane gate will only be open Saturday and Sunday. Competitors additional parking away from the paddock is in the airfield, accessible from Scratchers Lane or via the service road behind the hotel. They can access on foot through K gate past the kart track. See the circuit plan. Marshals camping is open in the Grey Car Park.

Everyone is reminded that the Bulletin Board will be open from Friday morning, and to check their mobile devices relating to messages from Race Control. All contact will be by text messaging or e-mail.

There are some unallocated garages available for use over the weekend on a first come, first served basis. The first 20 garages are reserved for Aurora Trophy and Thundersports competitors.

Final instructions will be available early next week.
