

ISSUE 12: HISTORIC SPORTS CAR CLUB - 02.07.21

WELCOME

Welcome to the twelfth issue of the Members' Newsletter for 2021.

We are in the midst of a busy period of racing, following a very successful race weekend at Donington Park and we're already quickly heading towards our Legends of Brands Hatch Super Prix on 9-11 July.

It was very pleasing to see such strong grids at Donington Park as well as a fair crowd of spectators although, of course, we were not able to welcome them into the paddock.

On-track, there was some epic racing and it was excellent to see many positive comments on social media from drivers who had enjoyed those battles in a sporting and friendly atmosphere. That's a cornerstone of what the HSCC is all about!

Please don't forget that entries for Brands Hatch are still available (see below for details). We just about have space on all grids, though some are close to full and Formula Junior is over-subscribed. Also, the practice sessions on Friday morning on the Indy circuit are getting very full and at least one of them is now fully booked.

After Brands, the office team will be busy with The Classic, Silverstone and the Club office will also be closed on Friday 16 July due to the British Grand Prix. Once The Classic is complete, we can all draw breath before the Oulton Park Gold Cup at the end of August. I hope you will all be able to have a break of some sort during August, whatever the travel situation is by then.

Keep safe.

Andy

DONINGTON PARK REPORT

It was another busy weekend at Donington Park at the end of June with good grids and great racing. Notably, Classic FF, Historic FF, Historic FF2000 and Historic F3 delivered some breath-taking racing as drivers went wheel-to-wheel in a sporting and fair way.

OULTON PARK GOLD CUP

Looking a little further ahead, entries are now open for the Oulton Park Gold Cup (Saturday, Sunday and Monday 28-30 August).

The Oulton Gold Cup is a traditional highlight of the HSCC racing season and typically draws a bumper crowd to the wonderful Cheshire parkland track.

After a full day of qualifying on Saturday, racing starts at mid-day on Sunday (due to local noise restrictions) and there is more qualifying and racing on Bank Holiday Monday.

On the programme will be Aurora Trophy/Geoff Lees Trophy, Dunlop Saloon Car Cup, Guards Trophy, Formula Junior, Historic Road Sports, 70s Road Sports, Historic Touring Cars, Classic Formula 3/Classic Formula Ford 2000, Historic Formula 3, Historic Formula Ford, Classic Formula Ford and the guesting Heritage Formula Ford.
