F2 BRIEFING

THE HSCC HISTORIC FORMULA 2 INTERNATIONAL SERIES

Volume 9 No. 2 August 2021

Gentlemen

Welcome to the second edition of F2 Briefing. Our 2021 Calendar has suffered repeated cancellations and substitutions as the pandemic has distorted race calendars as it has much of our daily lives. Indeed this is only the second edition of F2 Briefing this year such has been the disruption to our international race planning.

The good news has to be the Covid situation in UK and mainland Europe is improving as vaccination programmes are expanded and Covid immunisation becomes the norm. Travel restrictions are being eased gradually as borders are reopened again to foreign visitors.

So, on that optimistic note I am delighted to be able to confirm that HSCC is pressing ahead with detailed planning of our scheduled Championship races at HVM's Motors Cup Meeting at Dijon-Prenois on October 8 – 9 – 10th October.

Yes, Historic Formula 2 is planning a return to France and Europe at last!

What better circuit and meeting to be reunited with friends and to round out this troubled season? UK drivers have been able to enjoy great meetings and races in the UK while that opportunity has been denied to our friends and colleagues in

Europe. Indeed the only opportunity they have had to race in proper Formula 2 and Atlantic races was at the HGPdF at Circuit Paul Ricard in June.

I hope you will be able to support our return to France and to Dijon. Let's think about it as being a celebration and a return to the sport we love. A return to that which makes life worth living, Racing!

Let's make it a party weekend. Let's barbeque and share a drink with too long absent friends. Let's celebrate the end of separation. The return of the F2 Family!

I attached V3 of the Motors Cup timetable. Look out for more news from HSCC and myself. As always I will endeavour to keep you informed.

I hope to be able to circulate advice on obtaining the necessary Carnet tomorrow. Should you need help with your Carnet, it is at hand, more of that later.

In the meantime, I hope you are as pleased as I am with the confirmation of our intention to return to Europe.

I look forward to hearing from you all.

Kind Regards,

Roger
