

ISSUE 13: HISTORIC SPORTS CAR CLUB - 06.08.21

## WELCOME

Welcome to the thirteenth issue of the Members' Newsletter for 2021.

We have recently organised the racing at The Classic, Silverstone, which made a very welcome return to the calendar after a COVID-enforced absence in 2020. This is probably the biggest historic racing festival of all, with a very busy programme of qualifying and racing across three days.

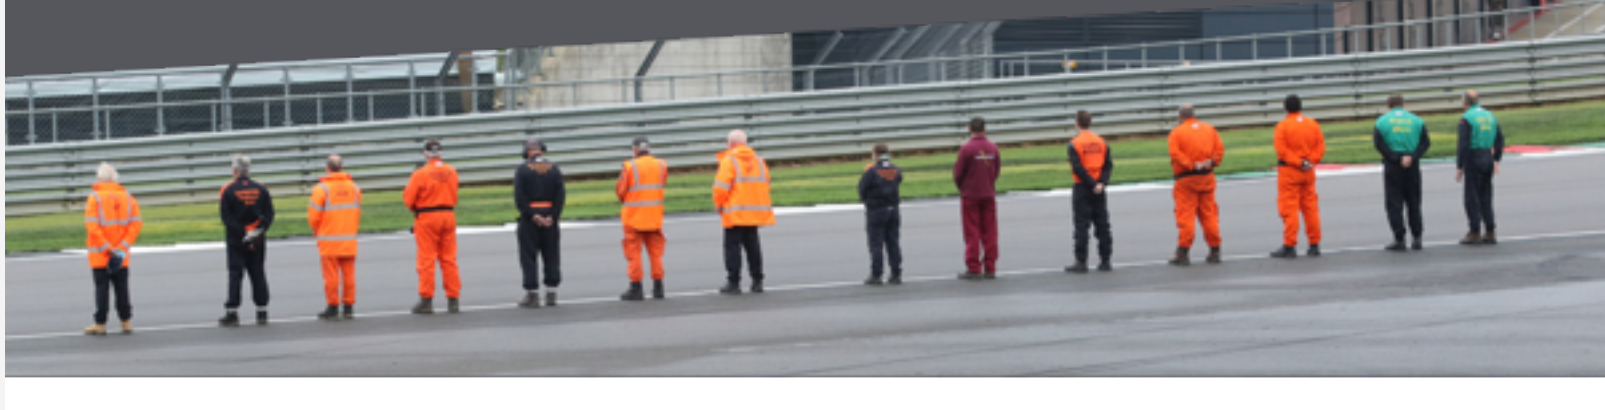

It would not be possible without all the volunteer officials and marshals who give their time and expertise to make it all happen. The weather this year was mixed, to say the least, and added to the challenge so I wanted to say a massive thank you to everyone who played a role.

Of course, the work and dedication of our marshals was brought into stark focus on Saturday as news of a serious accident at Brands Hatch filtered through. Tragically, respected marshal Robert Foote lost his life and one of his colleagues was injured along with the driver. On behalf of everyone at the HSCC we send very sincere condolences to Robert's family and friends and all those involved in the incident.

A 'just giving' page has been set up and at the time of writing had raised £40,000. It can be found here:

## HISTORIC F2 ADDED TO OULTON PARK GOLD CUP

Two races for Historic Formula 2 have been added to the line-up for the Club's Oulton Park Gold Cup meeting on 28-30 August.

Following the on-going disruption to the planned 2021 international calendar for Historic Formula 2, the Club has added two races for the series into the very popular Gold Cup meeting at the Cheshire track over the August Bank Holiday weekend. The aggregate winner from the two races will be presented with the prestigious and valuable Gold Cup trophy.
