Brands Indy **Historic Race Meeting** **Saturday 2nd April Sunday 3rd April 2022**

Brands Hatch Indy Circuit Practice Sessions Saturday 2nd April Sunday 3rd April 2022

On the following page you will find the session listing for the untimed practice sessions on the morning of Saturday 2nd April and Sunday 3rd April 2022.

These sessions are being conducted as part of the race meeting. Please ensure you have returned your signing on declaration for the Race in which your car is taking part in at the meeting, as this constitutes your signing on for the test. Prior to going onto the circuit you will need to collect your wristbands for the sessions you are entered into. You collect your wristbands from Race Admin the Ground Floor of the Race Control Building. If any of you have Transponders to collect for the meeting, these will also be available from that location.

Due to high demand for the open wheel test sessions on the Saturday we have had to limit drivers who asked for two sessions down to one.

If you are testing but are not racing at the meeting you will need to go to Race Admin and sign on with your Race licence and collect your wristband.

Upon collection of your wristband you can then make your way to the assembly area for release onto the circuit for your respective session.

At the time of writing Sessions 1 and 3 Open wheel on Saturday are fully booked. In the Closed Wheel sessions there are spaces still available in each.

Kind Regards
HSCC

Practice Sessions Saturday 2nd April

Session 1 Yellow Open Wheel 09.00 – 09.20

| | |
|--------------------|--------------|
| Paul Allen | Delta T78 |
| Martin Aubert | Lotus 20 |
