

Hi Everyone,

I hope you have all had an enjoyable Easter period and this finds you all well.

We are now just seven weeks from our season opener for 2022 at Cadwell Park. Although these are only 'pilot races' for this year and there is still plenty of time to get registered and entered, (we currently have around 35 interested parties) it would be nice to indicate to the club the depth of intention that exists to support the series.

I would appreciate it if you could let us know what your thoughts are and whether you think you will enter.

We have some interesting cars on the horizon for all classes, from the 1150cc to the unlimited class in both Modsports and Saloons.

The HSCC is a highly regarded club and provides a great atmosphere for both the racing and social activities in the paddock.

With kind regards,

Steve Watton
