8. **Engines & Silencing:** All competitors should ensure that their car complies with Motorsport UK silencing regulations (C(b)23 & 24) which will be either 105db GT and Touring Cars or 108db for all other classes. Please note that racing engine cannot be run before 8.45AM or after 6.30PM on either day.

9. **Paddock Allocation:** The Paddock Plan is enclosed so please park in your allocated area and give consideration to your fellow competitors by not using unnecessary space.

10. **Roadways within the Paddock:** Must be kept clear of all vehicles at all times.

11. **Pit Wall & Grid Safety:** Entrants must confine team members using Pit Wall to a maximum of two personnel per competing car and advise all personnel to follow Pit marshal's instructions without argument. The Pit Wall must be clear of all personnel for all race starts. No personnel are allowed on grid.

12. **Practice Sessions and Races:** All drivers should go to the Assembly Area 15 minutes before their published session time or when called by marshals or paddock announcement, and then proceed onto the circuit as directed.

N.B. Sessions may begin before the published time so please be ready and listen for paddock announcements. After the chequered flag, drivers should slow down and return to the Paddock as directed by the marshals.

At the end of each practice and race (with the exception of HFF2000, HFF and Ecurie/CMMC who will return to the Pits) all cars must slow down after taking the Chequered Flag and leave the circuit on the right hand side after turn 3 (Palmer).

13. **Qualification:** All drivers entered for a race must complete three laps in official practice to qualify. Drivers must practice in the relevant session for every race entered. Drivers wishing to practice out of session must obtain written permission from the Clerk of the Course and will start the relevant race from the back of the grid. The fastest time set by each car will determine grid position.

For all races the finishing position of race one will determine the grid for race two.

14. **Reserves:** Subject to qualification, reserves will be admitted to the races in the order published in the entry list if spaces are available.

15. **Grid Formation:** Will be 1x1 staggered for single seaters and 2x2 for all others.

16. **Race Start Procedure:** All Races unless notified will be a standing start. Drivers in all races, should proceed to the assembly area 15 minutes before the scheduled start time of their race or when called by marshals or paddock announcement.

Pre-gridding and the 1 minute and 30 second countdown will take place in the Assembly Area following which drivers will be released onto the circuit do one complete lap and then proceed to the Grid. This will constitute the 'green flag lap.

Please make sure you know which line on the grid to stop at. Upon arrival at the Grid, drivers should take up their positions as quickly as possible and, as soon as the last car is in position, the 5-second board will be displayed before the red lights are shown, followed between 3 and 5 seconds later by the red lights being extinguished denoting the start of the race.

- 17. Should circumstances at the event change:**
Such as but not restricted to Track Conditions or Weather the Clerk of the Course may change Standing Starts to Rolling Starts. When this decision is made all affected competitors will be notified at the earliest opportunity along with being advised of the number of Pace laps.

The procedure will be (unless otherwise advised): Cars will be released from the assembly to do one (or more) rolling laps behind the Pace Car, forming into their grid positions towards the end of the lap in preparation for the Pace Car to turn off its lights and pull into the Pit Lane after which drivers should hold their grid positions until the red lights are extinguished at the Startline. There must be no overtaking until your car has crossed the Startline.

- 18. Practice Starts/Weaving:** Drivers indulging in practice starts or excessive weaving during the warm up/green flag laps will render themselves liable to exclusion as both actions are expressly forbidden.
- 19. Judicial:** At the discretion of the Judicial officials, Judicial Hearings may be recorded. If a Judicial hearing subject objects, then the Clerk of the Course or Stewards of the meeting may appoint a person to be present and whose sole function in the hearing is to take a contemporaneous note including all questions and replies. Competitors or Entrants are not allowed to record the proceedings.
- 20. Disposal of Waste:** Would all competitors please be aware that it is no longer acceptable to leave or abandon empty fuel/oil containers, batteries and tyres behind when leaving a venue.
Such items are classified as "hazardous waste" and it costs between £10 and £25 per item for safe disposal. Please also be aware that these items MUST NOT be placed in general rubbish skips at circuits; doing so could trigger a £1000 Local Authority Fine.
Where it can be identified that a certain competitor or championship is responsible, charges will be passed on. Where it is not possible these charges will have to be absorbed and will then reappear as increased entry fees for all.
Your co-operation would be appreciated – take your waste home and dispose of it safely.
- 21. Use of Video Equipment:** It is only permissible for competitors to use vehicle mounted video recording

equipment with the prior approval of MSV and any such equipment must be securely mounted, and in place, prior to vehicle scrutineering taking place.

- 22. Decals:** Competitors are reminded that HSCC decals must be displayed (one on each side of the car) and, if supplied, race sponsor's decals must be prominently displayed on competing vehicles. Failure to display decals may result in exclusion.
- 23. Fuel:** Sunoco (Anglo American Oil Company Ltd) will be in attendance and they will be situated in the Paddock by the Fuel Station. If you would like to place a Fuel Order for Sunoco Contact them on 01929 551557. The circuit fuel station will be open on request, by calling at circuit reception and asking for fuel. Please remember to check your Championship regulations before purchasing fuel. At this meeting only MSUK 'Pump Fuel' or FIA 2013/2014 fuels are allowed to be used.
- 24. Animals:** Animals are not permitted at the venue.

SPECIAL NOTES

- 25. Timing Modules:** Please ensure you have fitted a fully charged and working transponder on your car as per the MotorSport UK Yearbook 2019 Q12.2.1.
It is vital that everyone has a working transponder.
Any car without a working transponder will during qualifying receive a warning, failure to correct this will result in a time penalty of 30 seconds being added to your time for the race.
- 26. Code 60:** Competitors are advised that we will be running a 'Code 60' where appropriate as per Motorsport UK Appendix 4.
All competing cars, when notified of the Code 60 intervention (by the flag signal, or by any other means) will release the throttle, gently reduce their speed to 60kmh and should remain behind the car in front.
- 27. Track Limits:** May incur time penalties. Judges of Fact may also be appointed.
- 28. Speeding in Pit Lane:** The maximum speed limit is 60kph (37.2MPH)
- 29. Testing:** Testing is available on the Circuit on Friday 22nd April. Please book online at: <https://testing-v1.msv.com/Snetterton/2022/4/22> or Telephone: 0843 453 2000.
